### First 5 Talking Points for Families

The following are talking points that families can use when contacting their state legislators to oppose any cuts to First 5.

- My name is \_\_\_\_\_ and my child(ren) is/are a part of the \_\_\_\_\_ program at \_\_\_\_\_(FSO Name) which is funded by First 5.
- Please describe what the program is and how you became involved with it.
- First 5 funding helps children. Because of this program...please describe the impact the program has had on the child(ren) and family.
- I believe that investing in our children is very important and this is what First 5 does.
- Please oppose cuts to First 5.

To locate your Legislator, please go to <http://www.legislature.ca.gov/> and enter your zip code in the section titled “Find My District” at the lower right corner.
